

Watching students donate lettuce grown in their school garden to our guests

# 2024 Impact Report

**TONI'S KITCHEN**

A Food Ministry of St. Luke's Church

# Letter from the Director

In these unprecedented times, we look to each other to build strong community ties as we forge the path ahead. As federal resources diminish and layoffs and inflation escalate, the need for local food support is growing. **We are here** to ensure our neighbors in Montclair, Bloomfield, and West Orange have the nutritious food and access to support services necessary for their health and well-being. Local solutions are the answer—it's us, together—and our success depends on you.

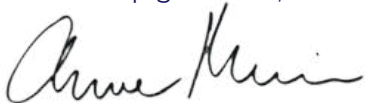

Since Covid, we have delivered on our promise to create transformative outcomes for our neighbors. We have developed **innovative solutions** to reach new and hidden pockets of need, renovated our space to expand capacity, and built out our staff and volunteer base. The Covid crisis taught us to establish predictability and reliability in everything we do because that is how people move to food security. In 2024 alone, we provided over **2 million meals** to help more of our neighbors than ever.

Now in 2025, we find ourselves in uncharted waters, but in the uncertainty, we know we have you—and that is how Toni's Kitchen will meet this challenge. New populations are being disrupted and need help rebuilding stability amidst upheaval. We will respond with agility to new needs as they arise, partnering with other important local resources to ensure comprehensive support for our neighbors. We will continue to fortify our programming in Montclair, while expanding Toni's Grill food truck service to include Bloomfield. We are also establishing medical partnerships in West Orange—including a "food pharmacy" that will offer nutritious meals to patients managing health conditions—because we know that food is crucial to health and stability, and a connection point to other essential services.

To facilitate access to these supports, we have founded the **new Toni's Resource Hub**, which connects our community to meaningful services such as SNAP enrollment, legal assistance, optometry exams, employment coaching, mental health counseling, dental care, medical care, and wellness services, including diabetes, mammography, and cervical screenings. Developing this holistic approach amplifies the impact of our food work and encircles our neighbors with meaningful complementary services to empower them to lead healthier, more independent lives.

We will chart our course with you every step of the way; we have navigated hardship before and grown stronger. You have always been there for us, and Toni's Kitchen continues to count on **your partnership**, now more than ever before. We will take action to ensure there is a food safety net for those who need us and a path to good health and independence for all of our neighbors. Together, we can rise to meet this moment.

With deep gratitude,

A handwritten signature in black ink, appearing to read "Anne Mernin". The signature is fluid and cursive, with a large initial "A" and a long, sweeping underline.

Anne Mernin  
Executive Director  
Toni's Kitchen

# One Simple Vision

## RELIABLE ACCESS TO HEALTHY FOOD FOR ALL

Every day, we see neighbors struggling to make ends meet—**home healthcare providers, school bus drivers, senior citizens on a fixed income, preschool teachers, gas station attendants, delivery drivers, and grocery clerks**—for whom the daily challenges of inflation, high housing costs, and medical bills make it hard to afford groceries. We can create some stability in their lives by making certain that nutritious food is dependably available.

Our neighbors can count on a **reliable** supply of healthy food because all of our programs are offered at least weekly, and they can trust in **access** to it because we focus on connection to food-insecure communities:

- **Neighborhood Mobile Markets** bring fresh produce and shelf-stable groceries to local schools and gathering spaces in a farmers-market-style setting.
- **Toni's Grill Food Truck** prepares cooked-to-order meals for our unhoused neighbors or those with limited cooking facilities.
- **Home Deliveries** ensure access to groceries for those with a disability or who lack transportation.
- **Partner Meal Sites** make healthy sandwiches and snacks available at tutoring programs, senior gatherings, preschools, and more.

Everyone deserves **healthy food**, and **together**, we can ensure they have it. Let's build a fully food-secure community and enjoy the health and stability that will accompany it.

# Our Programs and 2024 Achievements

60% OF OUR FOOD WORK IS DONE **OFF-SITE, OUT IN THE COMMUNITY.**

We launched five new **Neighborhood Mobile Markets**, providing families with distributions of fresh produce and shelf-stable groceries in a farmers-market-style setting, and now operate a total of nine. The new markets target low-income preschoolers and elementary students, first-generation college students, and uninsured and under-insured residents with food insecurity and chronic health conditions.

---

We worked with over **60 community partners** to integrate healthy food in tutoring programs, teen mentoring groups, senior social gatherings, summer camps, and preschools.

---

Through referrals from local hospitals, health departments, and schools, we provided 268 seniors and 48 families with weekly **home deliveries** in 2024, ensuring that a disability or lack of transportation did not hinder access to healthy food.

---

The **Toni's Grill** food truck made regular runs in Montclair providing **60 fresh meals** per trip for our unhoused neighbors, those with limited cooking facilities, and others for whom a prepared meal is the best solution.

---

Through **Summer Love**, we were able to bridge the gap for children who receive subsidized school lunches by providing **5,800 sandwiches and healthy snacks** to local summer camps, libraries, and teen programs, along with summer essentials like sunscreen and swim diapers. We also distributed **groceries to over 300 families** each week at Neighborhood Mobile Markets during the summer.

---

IN 2024, OUR ON-SITE **DINING ROOM, CHOICE PANTRY,**  
AND **CLOTHING PROGRAMS** KEPT OUR COMMUNITY  
NOURISHED AND WARM.

Thanks to our Giving Tuesday supporters, we will **install a new double convection oven** this spring. Our old oven is over 15 years old and far too small for the number of neighbors we serve each week. Despite its shortcomings, last year, the old workhorse provided **61,000** hot meals to our community.

---

Last August, St. Luke's Episcopal **repaved the church's parking lot!** For those of you who drive our vans or unload our deliveries, you know what a critical and needed repair this was, and all at Toni's Kitchen celebrate this investment in our facility.

---

Clothing donated to **Toni's Closet** is repurposed to a wide variety of food-insecure populations. As donations come in, we select items to meet the needs of our homeless or nearly homeless neighbors. Twice a week, after our dining room meal service, we distribute free seasonal clothes to our guests, giving them agency to choose based on their needs. In addition, Toni's Closet, our thrift store open to all, allows families and students to shop with dignity, and is popular with Choice Pantry guests who regularly shop before picking up their groceries. Some of Toni's Closet proceeds fund food support programs in our community.

---

Last October, **Governor Murphy and his team visited Toni's Kitchen** to learn more about our food work in Montclair, West Orange, and Bloomfield. New Jersey has invested heavily in building food security for residents in recent years, including establishing the Office of the Food Security Advocate and more robust Supplemental Nutrition Assistance Program (SNAP) benefits.

Left: Governor Phil Murphy, Assemblywoman Alixon Collazos-Gill, Essex County Commissioner Brendan Gill and Senator John McKeon with TK's Anne Mernin

# Toni's Resource Hub

## NOURISHING CONNECTIONS: FOOD AS A BRIDGE TO HOLISTIC CARE

Neighbors needing food support often require additional resources for their overall well-being, which is why we leverage our full community to partner with **18 local service providers** who offer the following accessible, holistic care at our Choice Pantry:

- Health insurance counseling and enrollment
- Employment coaching
- Supplemental Nutrition Assistance Program (SNAP) enrollment
- Legal services
- Mental health counseling
- Housing support
- Voter education and registration
- Guidance on scholarships/financial aid for higher education
- Financial coaching
- Free tax preparation
- HIV education and testing
- Mammography and cervical screenings
- Cancer prevention and wellness education
- Diabetes education and management
- Nutrition counseling
- Optometry exams and prescription eyewear ordering
- Vital signs monitoring (blood pressure, pulse, body mass index)
- Vaccine administration (Flu and Covid)
- Dental care

**"I can see again."**

– Guest recipient of eye exam and glasses via onsite Optical Academy

**"I got it!"**

– Guest enthusiastically sharing SNAP benefits award letter

**"Thanks for noticing that I needed counseling. Pam gave me the time and space to deal with my grief from losing my son."**

– Guest participant in on-site free counseling services with Pam Kanter, LPC, MEd

**"I finally got the dental care I've needed for so long."**

– Guest recipient of on-site Zufall Mobile Dental Unit services

University Hospital provides our guests with mobile mammography and cervical cancer screenings.

**"You've got people who don't have insurance and don't know where to go, and (the bus) encourages people to come out, I mean, it encouraged me."**

– Guest recipient of mammogram screening

Memorial Sloan Kettering Cancer Center onsite educational workshop

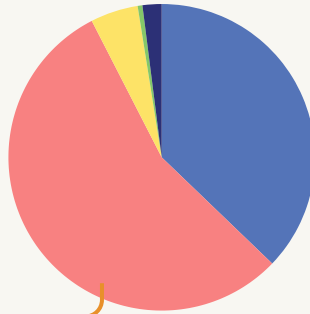

**"I know some things about healthy eating, but learned a lot more today."**

– Attendee of MSKCC Cancer Prevention with Healthy Eating workshop

# 2024 Financial Highlights

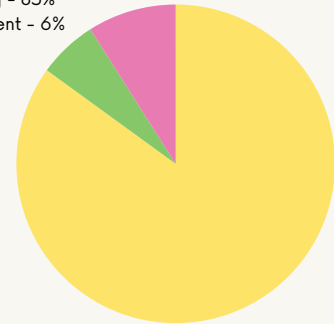

**TOTAL REVENUE:**  
**\$4,445,531**

- Fundraising - 37%
- Donated Food - 55%
- Toni's Closet Sales - 5%
- Toni's Grill Event Income - 1%
- Donated non-food items - 2%

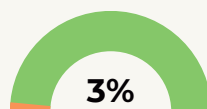

**TOTAL EXPENSES:**  
**\*\$4,139,731**

- Food & Direct Programming - 85%
- Administration & Development - 6%
- Facilities & Equipment - 9%

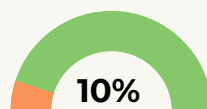

**DONATED FOOD**

## Moving our Neighbors Toward Food Security: Over 40 Years of Work in the Community

- 3x weekly soup kitchen
- **7,000 annual meals**

- 4x soup kitchen
- developing community partnerships
- **annual meals grow from 17,500 to 240,000**

- Covid response expands TK's reach through mobile markets, Toni's Grill Food Truck, home deliveries and on-site Choice Pantry
- renovated on-site food storage expands capacity
- 4x weekly soup kitchen reopens
- **annual meals expand from 1 million to 2,100,000**

## Looking Ahead

By early 2025, we have already seen a dramatic increase in the need for our services, while our food supply has been significantly reduced; these trends are expected to worsen. The fragility of so many of our neighbors' economic situations became evident during Covid and we are seeing that again. We learned that, even in difficult times, **solutions are possible** when we are **resourceful** and **collaborate** with each other. Drawing on those lessons, we are focusing on leveraging community resources to support our neighbors in need in the months ahead.

Toni's Kitchen is powered by over **2,600 dedicated volunteers** who give their time to help their neighbors throughout the year. Each week more than **500 volunteers** donate over **1,000 service hours to:**

*cook in our kitchen  
oversee our Choice Pantry  
sort our fresh produce*

*prepare hot meals on our food truck  
distribute groceries at our  
Neighborhood Mobile Markets*

*... and so much more.*

**You give countless hours more that can't be tallied**, running food drives through your schools and workplaces, and hosting fundraisers on our behalf like the Music Against Hunger and Last Waltz concerts, as well as walkathons, lemonade stands, book swaps, and knitting sales. You write our newsletters, manage our website, run our social media, and offer thoughtful guidance as we plan our path ahead.

**Our heartfelt thanks to you all!**

**You are the reason Toni's Kitchen is so special.**

You are the heart of our work and the reason we can serve the community so cost-effectively.

*thank you*
